§ 644.413 Exchanges of fee-owned land and easement interests.

The statutes identified in §§ 644.414 through 644.417 authorize the exchange of Government-owned lands and interests therein for private lands and lands owned by States, other non-Federal agencies, and their instrumentalities. In drafting relocation contracts, care must be exercised to insure that there is legal authority for execution of the conveyance or easement proposed.

§ 644.414 MCA acts.

The annual military construction authorization acts usually contain general authority for the acquisition, "by donation, purchase, exchange of Government-owned lands, or otherwise," of lands and interests therein at specified installations or for specified military purposes. The annual acts must be examined to determine that specific authority exists to acquire land by exchange, unless a contemplated exchange falls within the scope of one of the special laws mentioned in §§ 644.415 through 644.419.
